

Epson TM-J7500 Series

Fast, high quality inkjet printing

The TM-J7500 series produces high-resolution printing, which means you can fully differentiate your service at the point of sale with eyecatching receipts, featuring logos and advertisements. A printing speed of 16 lines of text per second or complex graphics, barcodes and coupons at up to 50mm per second enables you to keep customer waiting times to a minimum. Using Epson's proven SEAJet printing technology, the result is sharp, easy to read, and permanent, with no fading.

Single-insertion cheque-printing

The sophisticated single-insertion system combines high-speed MICR reading, cheque-printing and endorsement. It's fast, simple, and because there's no need to flip the cheque, it's virtually error free – even when presented with folded or crumpled cheques.

Ease of use and excellent connectivity

In addition to the front-loading system, which allows both paper roll and ink cartridges to be changed quickly, these printers include ink near-end detectors and an operations panel which is located at the front, and is simple to use, even for inexperienced operators. As well as high-speed serial, parallel, Ethernet and USB ports, an IBM interface means the TM-J7500 can be used as a simple drop-in replacement for your existing legacy printer or as the first stage in a full system upgrade.

Low cost of ownership

With an autocutter life of 1.5 million cuts, and an MCBF of 50 million lines, this series is extremely reliable. In addition, the printer's long-life ink cartridges are capable of producing up to 20 million characters, making it exceptionally efficient for the point of sale in demanding retail environments.

DATASHEET

KEY FEATURES

PRODUCT SPECIFICATIONS

FONTS & STYLES	
Column capacity	80 cps / 106 cps
PAPER	
Paper size	68 - 230 mm (W) x 68 - 297 mm (H), Min 68 - 152 mm
INTERFACES	
Interfaces	RS-232, Drawer kick-out
POWER	
Power Supply	PS-180 (option)
Power Consumption	standby: 0.07 A, Mean: 0.5 A
Operating voltage	24 V
GENERAL	
Product dimensions	251 x 237 x 188 mm (Width x Depth x Height)
Product weight	4.9 kg
Color	Epson Dark Gray / Epson Cool White
Noise Level	Operation: 50 dB (A)
Installation	horizontally
Interface connectors	D.K.D. function (2 drivers)
Humidity	Operation 20% - 80%, Storage 5% - 85%
Temperature	Operation 4° C - 40° C, Storage -20° C - 60° C
FONTS & STYLES	
Print Speed character	14.30 lps (0 mm paper width)
Print Speed graphic	43 mm/sec
Column capacity slip	80 cps / 106 cps
Character size	1.41 mm (W) x 3.39 mm (H) / 0.99 mm (W) x 2.4 mm (H)
Character set	95 Alphanumeric, 37 International, 128 x 11 Graphic
Characters per inch	15 cpi / 20 cpi
Dot density	180 dpi x 180 dpi

LOGISTICS INFORMATION

Dimensions Single Carton	330 x 430 x 316 mm
Carton Weight	6 Kg
Multiple Order Quantity	1 Units
