

LabelWorks LW-900P

DATASHEET / BROCHURE

Connect this versatile label printer to your PC or Mac to create a wide variety of professional labels up to 36mm.

Fitting neatly onto your desktop, the LW-900P takes care of all your labelling requirements, from filing to asset tagging, making it ideal for signage, facilities and goods-in departments. With a resolution of 360dpi and a print speed of up to 25mm/s, you'll get high-quality labels at high speed.

Design labels easily

Creating labels is easy using the included software with intuitive menus. Choose from pre-loaded label templates, or design your own and store them on your computer. A special toolbar enables you to add pre-defined frames, symbols, barcodes and text enhancements, or import images. In just a few steps, your label is ready to print.

Import and print data

Using the software, you can import data in csv, txt and xls(x) formats, create a layout corresponding to the column headings, and then print labels for each line of data. You can also print a series of labels with incremental dates or figures.

Convenient

Producing labels is a hassle-free process from start to finish, as the LW-900P automatically detects the tape width, and automatically cuts or half-cuts the labels once printed. Its convenient integrated trimmer can round label edges, and a dedicated window displays how much tape remains.

Flexible tape options

Epson's wide selection of labels in 6, 9, 12, 18, 24 and 36mm sizes cover virtually every labelling need, with transparent labels, cable wraps, writable matte paper labels and more, plus a choice of adhesive strengths and colour combinations. All Epson labels are very durable, resisting water and withstanding hot and cold conditions.

Economical

The LW-900P minimises label margins, meaning you get more labels per tape, and Epson's 9-metre label tape offers economical refills. Two four-metre label tapes are included to get you started.

KEY FEATURES

- **Use with PC or Mac**
Label design software included
- **Flexible formatting**
Choice of fonts, styles and borders
- **Choice of tapes**
Wide range of tapes up to 36mm
- **Minimal margins**
Mean more labels per tape
- **9-metre tapes**
For economical refills

PRODUCT SPECIFICATIONS

PRINTING

Printing technology	Thermal transfer
Tape width	6 mm, 9 mm, 12 mm, 18 mm, 24 mm, 36 mm
Printing resolution	360 DPI
Printable Dot Numbers	384 dot numbers
Print height	27 mm
Print speed	25 mm/sec
Number of printable lines	custom
Maximum text length	custom
Multi-block	custom

GENERAL

Product dimensions	182 x 85 x 146 mm (Width x Depth x Height)
Product weight	900 g, without tape & batteries

PRINT SETTINGS

Auto increment	Alphabetic, Numerical, Date, Time
Mirror printing	Yes
Vertical printing	Yes
Barcodes	Code 128, Code 39, Data Matrix, EAN-128, EAN-13, EAN-8, GS1-128, GS1-DataBar, ITF, MaxiCode, PDF417, QR Code, UPC-A, UPC-E
Wire wrap	Yes
Flag	Yes
Margin setting - Label Editor	1mm, Manual
Fixed Length	No
Setting Area	Custom

FONTS & STYLES

Fonts	Depending on user's PC
Font Size	custom
Frames	1 Frames
Tables	1 Tables
Style	Depending on user's PC
Layout Alignment	Left, Right, Center, Manual, Justified
Character spacing	custom
Character width	custom

MEMORY

Memory alphanumeric	Depending on user's PC
Memory accent	Depending on user's PC
Accent learning	n/a
Symbols	457
Memory file (saved labels)	Depending on user's PC / 466 templates available
Last label	View history, Browse

HARDWARE

Cutter	Auto, Half, Trim
Detection	Cover open, Tape width

OTHER

Warranty	36 months Carry in Optional warranty extension available
