PRINTRONIX PRINTCART

The Printronix PrintCart is the best-in-class mobile workstation for demanding wireless printing and business applications. The innovative self-defending controller automatically balances business needs with optimal power system performance. There are no controls to operate. When connected to line power the cart automatically switches equipment to AC power while simultaneously charging the battery.

The Advanced Power Management System is designed to save you money and time. The longevity of the battery is extended by protecting from deep discharging and short charge cycles. The battery assembly can be changed in less than 10 minutes for continuous operations and off-the-shelf power cords are user replaceable in under a minute without tools.

KEY FEATURES

- Power a printer and terminal for up to 20 hours (12 hours under heavy use)
- Fully recharge in about 4 hours
- Integrated charger-inverter-transfer switch automatically and optimally manages energy sources
- Rugged, powder coated, welded steel frame
- Simple, easy to read display panel with battery status “gas gauge”, audible recharge alarm and advance warning of battery exhaustion

- Pull-out printer shelf enhances serviceability
- Tight turning and long distance mobility with short wheel base and large, ball bearing wheels
- Large stainless steel work surface
- Optional accessory pack includes utility drawer, media and scanner storage, refuse bin and notebook holder
- Configurable for external charger and/or exchangeable battery pack for continuous operations

- Innovative self-defending controller extends battery longevity by limiting deep battery discharge and short cycle charge times

PHYSICAL SPECIFICATIONS	
Height (work surface / scanner storage)	40"/47" (101.6cm/119.4cm)
Width (frame / wheels)	21"/22" (53.3cm/55.9cm)
Length (work surface / including handles)	25"/36" (63.5cm/91.5cm)
Weight (without printer or terminal)	280 lbs (127kg)
Printer Shelf Load Capacity	70 lbs (32kg)
Work Surface	Stainless Steel - 21" (53.3cm) wide x 25" (63.5cm) long
Printer Slide-out Shelf	Painted Steel – 14" (35.6cm) wide x 20.25" (51.4cm) long w/ pre-drilled mounting for 4" or 6" Printronix thermal bar code printer; includes shock mounting hardware
Printer Shelf Extension	10" (25.4cm)
Wheels	2 - 5" (12.7cm) caster, one locking (front); 2 - 8" (20.3cm) fixed wheel (rear)

ELECTRICAL SPECIFICATIONS	NORTH AMERICAN (120VAC/60 HZ)	EUROPEAN (230VAC/50HZ)
Battery Capacity	Typical Recharge Time - battery cannot discharge below 30%	
2 x 100 Amp-hour	3.2 hours	3.2 hours
Battery Type	Sealed Lead Acid, Absorbed Glass Mat (AGM)	
AC Inverter Output	120V/60Hz/1Ø @ 750w	230V/50Hz/1Ø @ 600w
12VDC Charger Capacity	45A	45A
Input Current (maximum)	15A @ 120VAC	8A @ 230VAC
Input Plug	NEMA 5-15 male 3 prong plug	User selectable (IEC 320 male socket connector)
Output Receptacle	2 each NEMA 5-15 GFCI	4 each IEC 320

About LOGISCENTER

Logiscenter is the leading provider of automatic identification and data capture equipments. Our products include barcode printing and reading devices, mobile computing devices, wireless access points, identification cards, and consumables.

Reasons to work with us

Our customers come first. Our objective is not only selling our products but also holding a long-lasting relationship with our customers, based on the benefits and advantages we create for you and your company.

The best brands. We offer products from the best manufacturers worldwide.

Expert technical support team. Our support staff are experts in the products we sell. But not just the products, they can tell you the best solution for your particular problem or need.

Largest stock. We have a permanent stock of more than 60,000 products.

Same-day shipping. For all orders placed and confirmed before 16:00 on working days.

Best prices. With Logiscenter, you can be sure that you are paying a fair price for your products, we will not overcharge you.

Easy returns. Damaged or defective products can be returned easily, for an exchange or reimbursement.
