

CC5000-10 Customer Concierge

Deliver the ultimate in self-service with a tablet-style kiosk

CC5000-10 offers the familiarity of a consumer tablet experience with all the enterprise-class features you need to take self-service in your store to a new level. Now, you can provide the concierge-style service customers dream of, increasing customer satisfaction, loyalty and sales. Configure this rich interactive platform to meet virtually any self-service need — allow customers to look up information, make purchases, receive personalized special offers. Integrated value-add features transform Android into a true enterprise-class operating system, providing the best of both worlds — your customers enjoy an intuitive and familiar interface, while you get the enterprise class security and manageability IT demands. Deliver an unsurpassed self-service experience for your customers with the CC5000-10 — the kiosk that delivers true tablet simplicity and real business class capability.

Integrated platform

The CC5000-10 provides the hardware, software and utilities required to give your customer the most advanced self-service experience available. And with our complete set of Application Programming Interfaces (APIs), you can create custom applications with minimal effort.

1080p high definition multi-touch display and advanced processor

The Android operating system and advanced chipset hardware provide crisp graphics and the “butter-smooth” animation customers expect — an instant response to touch, with no annoying lag time or delays.

Advanced integrated 1D/2D bar code imager

Customers can scan any bar code on any item in your store as well as bar codes your customers present on their mobile phones and emerging bar codes, such as GS1 and 2D. The result? Future-proof scanning capability.

Concierge platform software — more than Android

The platform includes support for Zebra enterprise value adds such as DataWedge, Fusion, MDM integration, Analytics and other capabilities from day 1, making this a truly IT and Marketing friendly digital platform.

Customize to create a fully-featured PoS

With 2 full size USB 2.0 ports, you can easily add a secure magnetic stripe or Chip-and-PIN reader to accept credit and debit cards for in-aisle purchases; plus a printer to print receipts, product information and more.

The CC5000-10 — the familiarity of a tablet in an enterprise-class kiosk.

For more information, visit www.zebra.com/cc5000-10 or access our global contact directory at www.zebra.com/contact

Tamper resistant

There are no user accessible buttons — no means for customers to power down the device or change settings.

“Battery-less” operation

The enterprise grade 12V DC power supply combined with Power-over-Ethernet (PoE) capability provides easy and dedicated power management.

End-to-end services

Our full complement of services can help you with every aspect of your CC5000-10 self-service solution, from system design and integration to custom application development and implementation, the rollout of a real-world pilot and post-deployment onsite support.

Specifications

Physical Characteristics

Dimensions	10.32 in. W x 8.19 in. H x 1.42 in. D 26.21 cm W x 20.80 cm H x 3.61 cm D
Weight	2.2 lbs./1 kg
Display	10.1 inch IPS optically bonded with 10-point PCAP multi-touch
Active Screen Area	217 mm W x 136 mm H
Aspect Ratio	16:10
Resolution	1280x800 at 60 Hz (supports 1080P internally)
Keypad	Virtual
Connectivity	USB host: 2 Full Size USB2.0 Type A ports for accessory USB OTG: 1 Micro USB OTG HDMI 1.3 Out: 1 to drive external HD Displays Ethernet Gigabit: RJ45 External Audio In: 3.5 mm connector External Audio Out: 3.5 mm connector
Audio	One microphone; two front firing speakers (2W total)
Expansion Capabilities	Full size SD card slot, supports up to 64GB
Power	Enterprise grade power supply: 12V DC; 110/220V Support for integrated 802.3at Power-over-Ethernet (PoE)

Performance Characteristics

Display Brightness	300 nits
CPU	TI OMAP4470 1.5GHz multi core ARM processor
OS	Android 5.1 (Lollipop) / Android 4.1 .1 (Jelly Bean); Google Mobile Services is not supported
Memory	RAM: 1GB LPDDR2 Internal storage: 16GB or 64GB option

User Environment

Operating Temp.	32° F to 104° F/0° C to 40° C @95% RH
Storage Temp.	-40° F to 158° F/-40° C to 70° C @90% RH
Humidity	15% to 95%, non-condensing
Development Tools	Development Tools
Management Tools	Integrates with industry standard Mobile Device Management (MDM) solutions to configure settings and provide remote software updates

Data Capture/Output

Integrated Scanner	1D/2D Zebra SE3307 decoded scanner
Front Camera	8MP
Video	1080p

Networks

WLAN	Dual band 802.11 a/b/g/n (2.4 GHz and 5.2 GHz support)
WPAN	Bluetooth 2.1 with EDR; integrated antenna
Ethernet	Gigabit Ethernet on RJ45 interface, with activity LEDs

Peripherals and Accessories

Accessories	Country specific AC line cord required. Additional accessories can be integrated using USB and Bluetooth interface
Mounting Options	Integrated standard VESA mount; conforms to the VESA 100 mm x 100 mm mounting standard for attachment of third party, off-the-shelf mounting solutions; four (4) M4 x 10 mm inserts provided

Recommended Services

Planning and deployment: Integration Services; System Design
Post deployment: Zebra OneCare Select
Application development: Custom Software Development
