EPSON
EXCEED YOUR VISION

(Also available in Dark Grey)

Epson **TM-T20**

Convenient and economical Thermal Receipt Printer with all drivers and accessories for quick and easy installation.

Key Points:

- Features Epson reliability
- Space-saving design means mounting in virtually any counter or wall position
- Includes all necessary accessories to get up and running quickly
- Ease-of-use features include drop-in paper load and auto cutter
- Energy Star qualified

TM-T20 is a multi-purpose thermal printer which ships with multilingual software, manuals, and useful accessories in the all-in-one package. TM-T20 is compactly designed with the power supply mounted inside and allows various installation layouts such as horizontal, vertical, and wall-hanging installation to meet the demand of a wide variety of customers' applications.

EPSON
EXCEED YOUR VISION

Reliability you can count on

With a MCBF of 60 million lines, and an autocutter life of 1.5 million cuts, the TM-T20 delivers best-in-class reliability so critical in high volume environments.

All in one package

For TM-T20, all the accessories are included in the box. Such as the printer driver, utility software, manuals, AC cable, interface cable, wall hanging bracket, rubber feet and switch panel for vertical installation, and water-proof power switch cover. The CD–ROM includes drivers for Windows® / Linux® / Mac OS® X, virtual port driver, OPOS™, OPOS for .NET™, Java POS™ and such. In addition, the utility software, Windows® driver, and electric manuals support 24 languages so you can select the most suitable way for a wide variety of uses.

Easy installation

TM-T20 is designed for easy installation in shops and stores. Even if it is installed horizontally with its back directly against the wall, its cover can be opened, so no extra space is needed. If the accessory switch panel for vertical installation is used when installed vertically, easy operation is available thanks to its good visibility. By attaching the wall hanging bracket to the bottom, TM-T20 can be set with its front perpendicularly for installation to other devices.

Energy Star qualified

Similar to the TM-T88V, the TM-T20 also meets Energy Star requirements, which makes these models the only Energy Star qualified POS thermal receipt printers available today.

Backed by the Leader

The TM-T20 is backed by Epson's industry leading service and support programs and comes with a two-year warranty. To learn more about the TM-T20 and its printing performance, go to www.epson.com.au.
