SP298 SERIES

Fast, Reliable, Cost Effective Slip Printers

FEATURES

- AutoSide Loading™ for quick & easy document loading
- Bi-directional serial impact printer capable of printing graphics using a highly reliable 9-pin print head
- Up to 3.1 lines per second with bi-directional check mode
- Epson TM295/TM290 compatible with same size footprint and interchangeable power supply, easier paper & ribbon loading

MODELS AVAILABLE

SP298MD – Serial
SP298MC – Bi-Directional Parallel

APPLICATIONS

Ideal for printing "company branded" pre-printed multi-part slips/forms

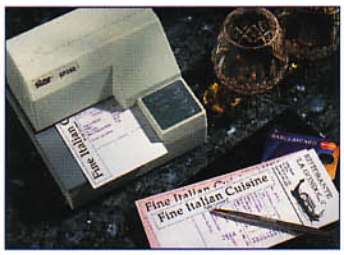

Hotels
The same pre-printed form can be used throughout the hotel — bar, restaurant, reception, etc.

Restaurants
Additional items (drinks, desserts, etc.) can be printed as ordered, due to the auto alignment and positioning feature.

POS
The Star slip printer can be found in gas stations, banks and shops around the world.

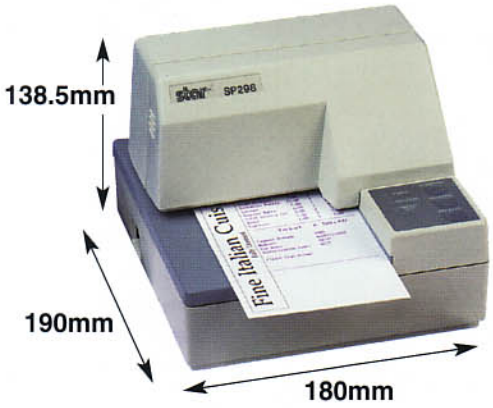

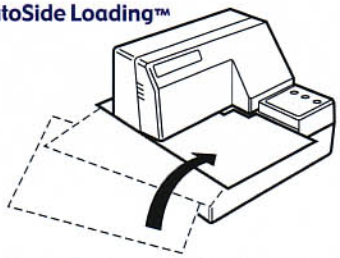

SOLUTIONS

DIMENSIONS

AUTOSIDE LOADING™

Featuring AutoSide Loading™

Automatic alignment and positioning of slips.

AutoSide Loading™ — The printer features paper AutoSide Loading™ making document loading quick, easy and reliable. The user can simply introduce a form into the side of the station and the printer performs automatic document clamping, instant top of form alignment, fast printing and selectable forward or reverse document eject.
