

P80C

80mm Panel Printer

P80C is a solid panel printer, and a perfect solution for **easy integration**. Its dimensions are optimized for 80x80mm rolls and its **key-operated opening** provides system protection and efficient maintenance operations.

CHARACTERISTICS

1. Design
Lean design for easy integration, optimized for 80x80mm rolls

2. Built-in cutter
For full and partial cutting

3. Key-operated opening
Protected system and efficient maintenance

4. Speed
Printing quality 200 mm/s

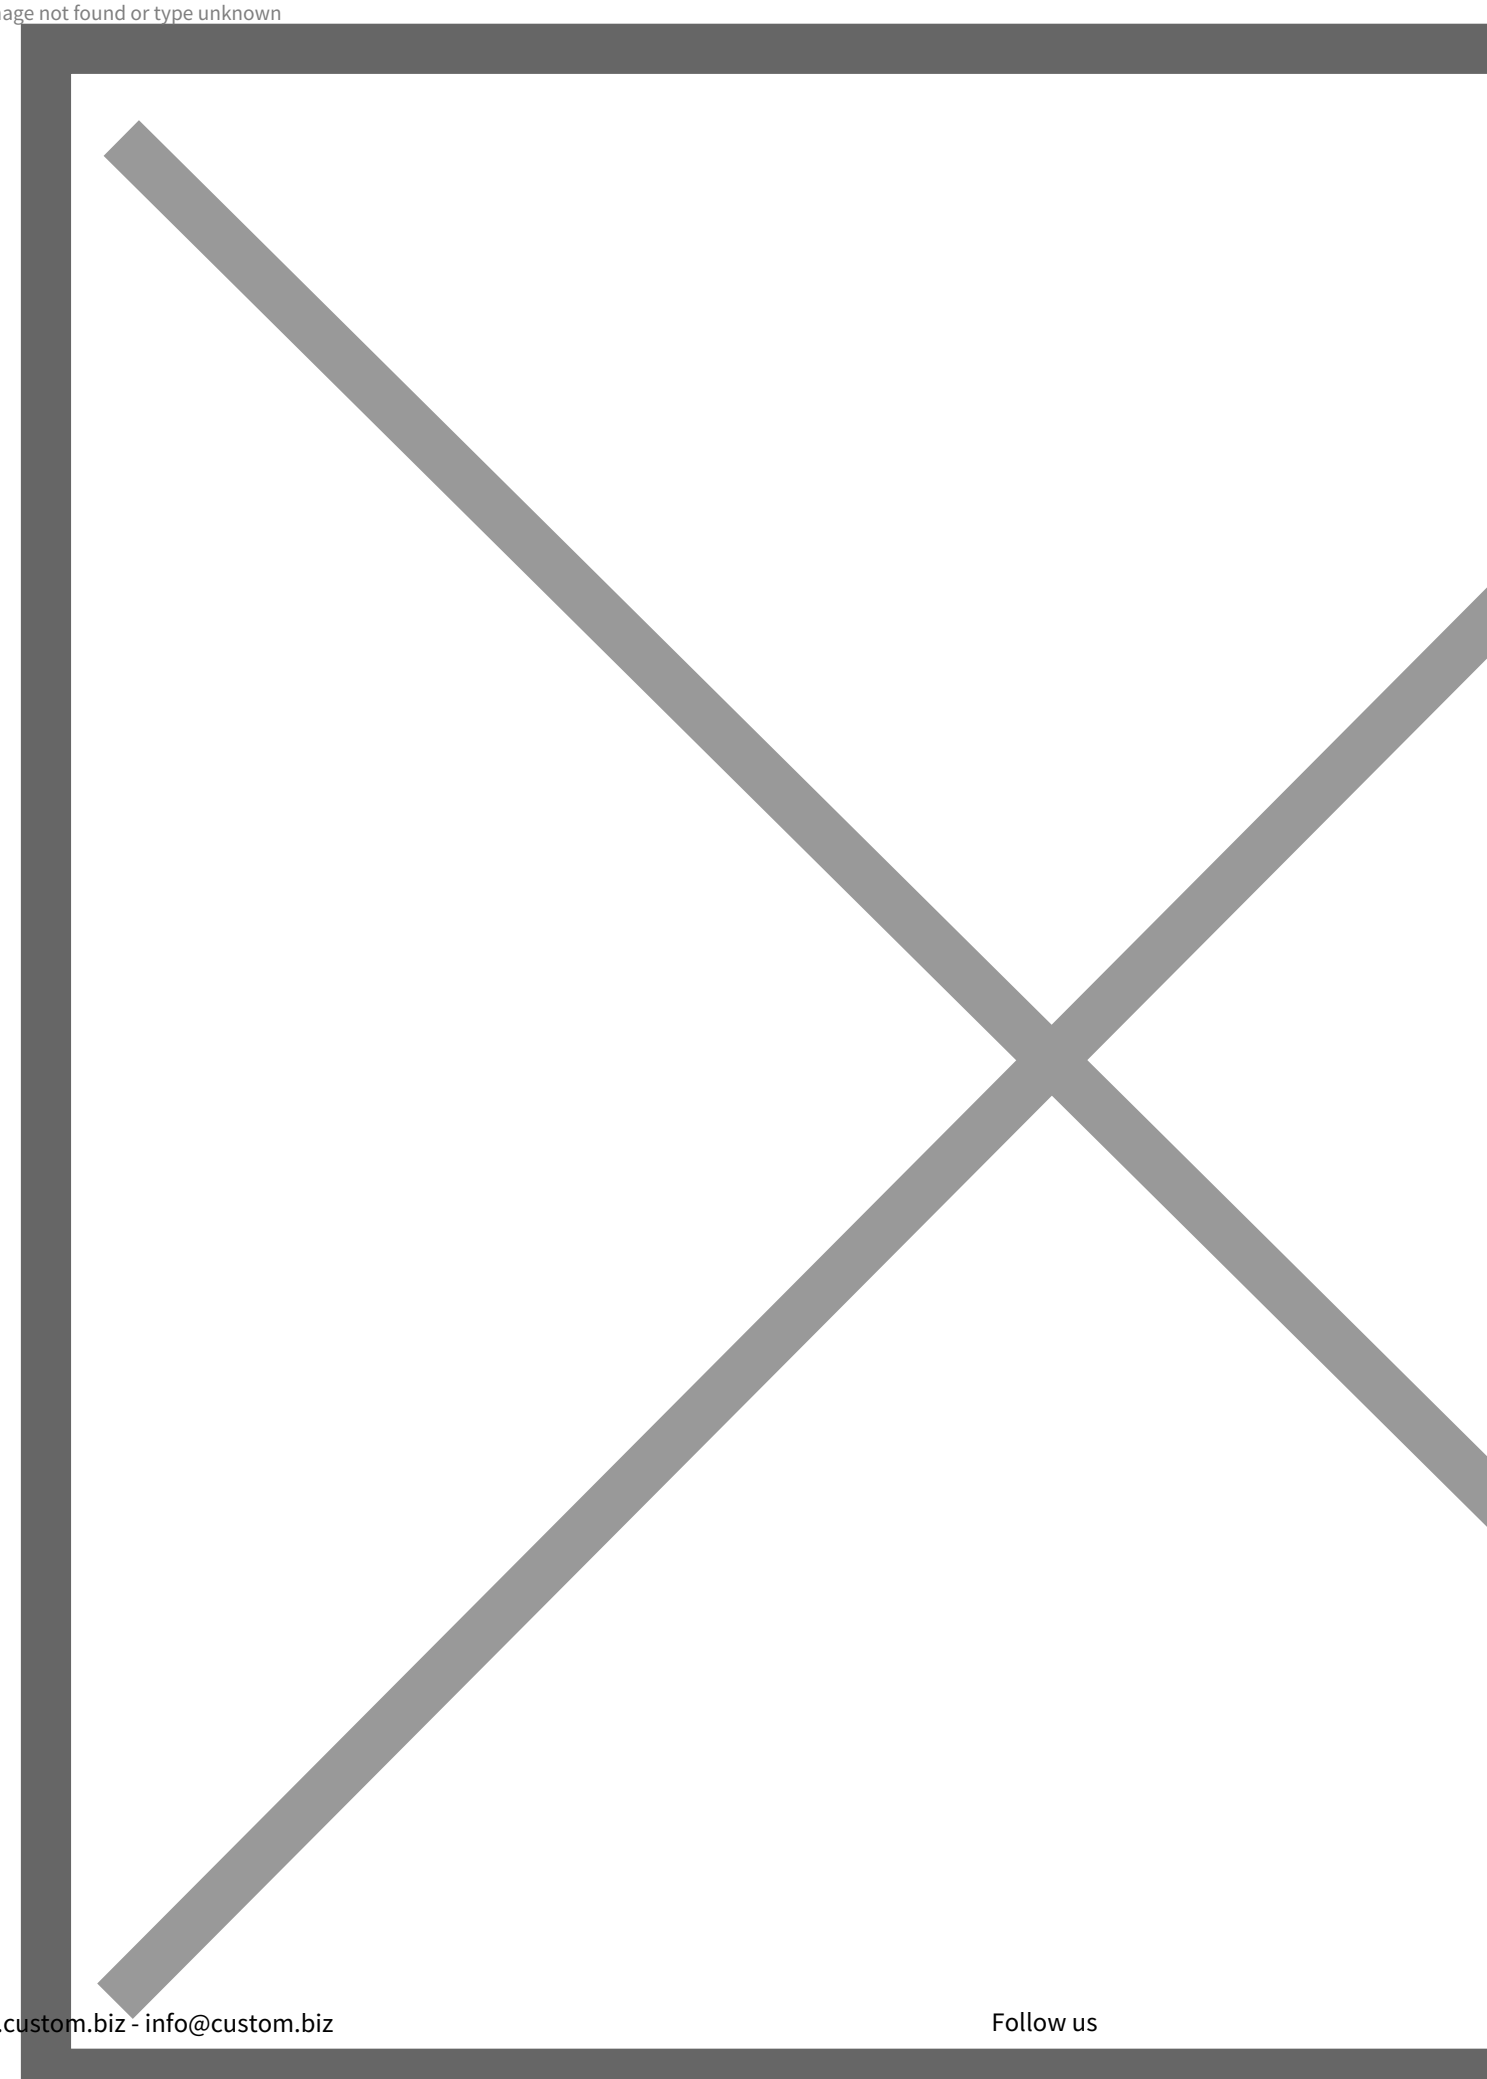

5. Sturdiness
100KM head, 1M cuts cutter

APPLICATIONS

- Self-service kiosks
- Indoor payment kiosks
- Coupon
- Weighing systems
- Industrial equipment
