LED operation panel

The three colour LED indicates the printer's status, types of errors and messages.

Tool-free maintenance

Paper jam? No problem for the CT-S601. One hand grip and the cutter is released automatically. No tool is needed. Even if the long-life cutter ever needs to be exchanged. Thanks to it's Snap-In design this only takes 30 seconds.

Internal power supply

All 80mm POS printers from Citizen offer an internal power supply.
