## Countertop Time Attendance Terminal

IOS QR Code

Android QR Code

D1 Tabletop Terminal is specially designed for table or counter use (80-140cm). With fingerprint sensor placed on top of terminal, it enables all-directional fingerprint reading for the convenience of attendance. Z-ID high sensitivity fingerprint sensor provides faster and more accurate fingerprint verification. With built-in detachable battery lasting for up to 8 hours, and micro-USB power supply for power bank (minimum 2A) connection, there are no more worries for lacking power sockets supply.

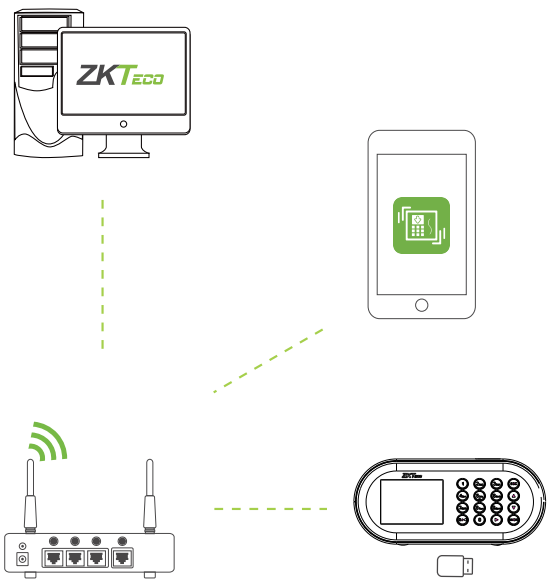

## Features

- Countertop placed without installation
- Wi-Fi communication
- Build in battery up to 8 hour standby
- Build in time attendance report
- Mobile APP control and download report
- USB Microport for DC power bank charge available
