The colorful world of the Brother P-touch PT-N10 Personal Handheld Label Maker is the easiest way to put organization, personalization, and identification at your fingertips!

- **Master the art of personal expression** Personalization becomes portable with this handy handheld label maker. It can easily be taken with you to help you organize anywhere you need it.

- **Always fast and fun,** the full QWERTY keyboard makes it easy to type quickly, efficiently, and enjoyably. Create labels with up to two lines of text with a combined height of 7mm to make your point and make it stick.

- **Personalize your world.** Make every label unique with a pre-loaded selection of 3 fonts, 6 font styles, 10 frames, and 200 symbols; plus its easy to preview your labels on the display to avoid errors, typos, and to minimize waste.

- **Be creative. Be unique. Btag.** This P-touch Label Maker is designed for exclusive use with Brother ~½" (12mm) Btag Label Tapes, available in 17 colorful varieties for a wide range of unique and creative labeling uses.

1 Free App download and wireless connection required. Compatibility may vary based on device, operating system and label maker used.
