Elo Pay 10"

Integrated Payment POS

10.1" FHD Display

Integrated Payment EMV & NFC

Android 12

Product Overview

Streamline your point of sale with the Elo Pay 10" integrated payment solution. Featuring a 10.1-inch FHD scratch-resistant touch display, Android 12 OS and Qualcomm SD660 processor, the Elo Pay 10" delivers unmatched quality, speed and reliability. And with advanced EMV and NFC technologies complemented by the convenience of PCI/PTS 6.2 certified pin-on-glass functionality, the Elo Pay system simplifies your POS operations, offering the efficiency and security that retailers and merchants require.

With rugged Corning Gorilla Glass technology to provide protection against scratches and an IP54 rating to provide resistance from unintentional spills, the Elo Pay 10" is purpose-built to endure commercial use.

With Elo Pay terminals built on a common kernel, a single integration provides you with access to Elo's entire payment terminal lineup

Enterprise-Grade Support - Security updates, seamless provisioning, Elo Home, OEMConfig and more

Secure – PCI-PTS 6.2 Certified

Go from merchant- to customer-facing with a 180° swivel POS stand

Elo Pay 10" Integrated Payment POS System
