

4.0 Bluetooth®

STAR SM-L200

New generation Classic Bluetooth / BLE 58mm mobile **Receipt / Label** printer for fast, low cost connection to Apple iOS, Android, Linux & Windows mobile devices

The exciting new SM-L200 has been designed specifically for the fast growing mPOS market.

If you are not familiar with the term mPOS, this applies to any retailer / restaurateur or other user that would prefer to use a mobile tablet or smartphone instead of the usual terminal for POS transactions.

This mobile solution is designed to be simple & just literally connects without the need for traditional pairing. In fact Apple devices do not even need a password, perfect for environments where security is not an issue or mobile printers are shared. The easy-to-use "Drop-In & Print" paper loading, whether on the counter or on your belt, along with the long lasting battery life of 13 hours all leads to effective mobile POS transactions.

- 2"/58mm Bluetooth / BLE Mobile Receipt / Label Printer
- Blue Backlit LCD Display
- Compact & Durable Design (1.2m drop test)
- Convenient 5V PC / Smartphone Charging
- Cover Open / Paper Out Sensor
- Long lasting battery life 13 hours
- Standard 1 & 2D barcode support
- High reliability 37 million lines MCBF 50km head life

Compatible with mobile devices supporting Bluetooth 4
